

Elk Ridge Lodge

Elk Ridge Lodge Center can host up to 300 guests. The wooden-framed indoor venue, is equipped with state-of-the-art amenities including a stage and dance floor. Outside, guests can wander through the beautiful acreage.

Pheasant Haven Lodge

With 17 bedrooms and 20 bathrooms, Pheasant Haven Lodge can sleep up to 50 people. Sometimes the best place to reconnect and start afresh can be somewhere outside of traditional meeting space.

Retreats

Our meeting facilities offer a place for professional time and a place for playtime. Guides are on site to take your employees or clients on ATV rides, fishing trips, and just about anything else you can think of.

Driven Hunts

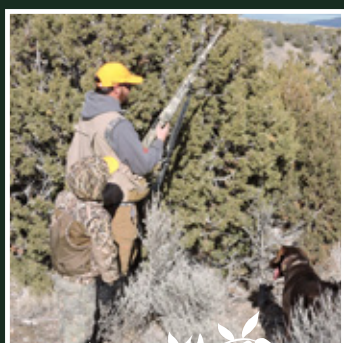

This is real and natural shooting. In the middle of the 10 station course is a 40-foot release area, which is hidden in the timber; all you see is trees in front of you or over your head.

Field Hunts

We are a wing shooter's paradise. Hunters are likely to see hundreds of strong, fast-flying pheasants as soon as they step into the field. The core of our land is planted specifically as pheasant habitat.

1,100 acres brimming with rich pioneer history, western charm and elegance. The ideal setting for corporate retreats, executive meetings, weddings and pheasant hunting. Royal Creek Ranches is discreetly nestled in the middle of the Stansbury Mountains encompassing rolling hills, creeks, and beautiful Utah landscapes.

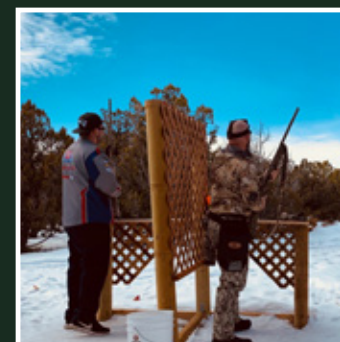

Guests can enjoy a wide range of activities including the best elk and pheasant hunting you will find in the entire country, fishing, mountain bikes, ATV's, hayrides through the elk herd, and skeet shooting.
