RETREATS

Guides are on site to take your employees or clients on ATV rides, fishing trips, pheasant hunts, hay rides, skeet/trap shooting, mountain biking and just about anything else you can think of to enjoy the outdoors and everything the ranch has to offer.

DRIVEN HUNTS

This is real and natural shooting. In the middle of the 10 station course is a 40 foot release area, which is hidden in the timber. All you see is trees in front of you or over your head. Plan on going through 200-300 shells in 2/3 hours with unlimited birds!

FIELD HUNTS

We are a wing shooter's paradise! Hunters are likely to see hundreds of strong, fast-flying pheasants as soon as they step into the field. The core of our land is planted specifically as prime pheasant habitat.
